A Special Note to Our Hornets

Hi Hornets!

As this is my final board report, I wanted to say thank you for the opportunity to learn more about the College of Arts and Letters and be a foundation to anyone who had a conversation with me. I hope that the college will continue to grow and listen to its students on all serious topics, academic, social, health, etc. I'm wishing everyone the best of luck with their finals and a congratulations to our class of 2024.

STINGERS UP!

Best,
Jennie ☺
