A Special Note to Our Hornets

Hi Hornets!

Since this is the last board report that I will ever give, I just wanted to say that serving you on the ASI Board of Directors for the past two years has truly been an honor. This experience has changed my life and I've grown and learned so much. As I graduate and move on, Sac State and its students will always have a very special place in my heart. This will always be my campus. My advocacy will now go beyond my ASI role and extend into my career. I will continue the work I've done from a different angle of advocacy.

For the last time, STINGERS UP!

Best,
V ☺
