You're so close to officially being Made at Sac State! I'd like to remind you that the ASI Board and I are here to support you and make sure you feel like your voices are heard. I look forward to serving as your ASI HHS Director for the rest of the semester and to continue to advocate for you all. Good luck with your semester and please don't forget that I'm here to support you in any way I can. Feel free to reach out with any questions, concerns, or even if you just need someone to talk to.
