## **A Special Note to Our Hornets**

Hi hornets!

This has been an amazing experience and I thank you all for supporting me and the board through all our endeavors. I have to say, it was a roller-coaster but the amazing memories and friendships that came were worth it. I am going to miss chatting with everyone in the office, filming silly videos and getting down to business. I am filled with so much pride when I look at what we accomplished, and I owe my personal growth to ASI.

It was truly an honor & congratulations to all our graduates!

Kind Regards,

Isabella Jimenez
