Stingers up!

Internal Committee Updates:

Student Marketing and Outreach Committee: During the last meeting I attended we sat down and sought out the feasibility of changes to the website and sought out which ways we could increase the accessibility and simplicity of our website, so that students can navigate their ASI resources.

Student Social Justice and Equity Committee: During the last meeting I attended we discussed inviting admin/faculty to our meetings to advise us on the creation of our survey and the findings of our survey. We also sat down and created the general outline for our campus wide survey.

University Committee Updates:

Faculty Senate: During the last faculty Senate meeting there was discussion on the retention of Diverse Faculty and Inclusion as well as grading policies. We discussed the possibility of changing our

definitions for letter grades or removing definitions entirely as different grades have different values in each department.

Curriculum Policies: Has not met yet

Strategic Priority Updates:

1.1.1 Promote and support Inclusive Excellence Antiracism and Inclusion Campus Plan (AICP)
I attended the 1st listening session of the Palestinian and Israeli Events.

1.2.1 Advocate for the advancement Equity and Affinity centers
Have not reached out to Erick Ramierz yet.

1.2.2 Promote and engage with Equity and Affinity Centers
I have reached out to the Pride, APIDA, Multi-Cultural Center and Project Rebound to see where ASI can support/collaborate with the centers. I will soon pick up on the work of my former partner on this priority. I met with Andrew Yang, the APIDA center coordinator and he invited me on a tour then we sat down and talked about where ASI can help the APIDA Center. We then both came up with a listening session plan with the ASI Board.

1.3.1 Organize an event for cultural celebration
Email was sent to Erick Ramierz about collaboration with Cultural Fest

3.1.2 Promote board activities
Scholarships and ASI events/Resources have been posted on the positional Instagram, and Bulletin Board has been updates

3.2.1 Support and engage with OGA in promoting civic engagement
