A Special Note to Our Hornets

Hi Hornets!

I'm wishing everyone the best as we are nearly to the end of this semester. Remember to take care of yourselves in any way possible. At the end of the day, our mental health or well being matters as much as our work. I know Spring Semester is always more difficult, honestly but that's why it's important to ask for help. It's never easy, but it goes a long way so I encourage you all to remember that Sac State has resources to make you feel supported socially, academically, in lifestyles, etc.

STINGERS UP!

Best,
Jennie ☺
