A Special Note to Our Hornets

Dear Hornets,

Congratulations on almost completing the Spring semester, you are almost at the finish line! Please remember to take study breaks and prioritize your mental health during Finals week. I hope that this school year has allowed you to grow as students, and that your education here at Sac State has enriched your professional experience. It's been such an honor to represent Business students in ASI for the 2023-2024 school year, thank you all for allowing me to have this amazing leadership opportunity. For those who are graduating this year I wish you the best in your future endeavors!
