A Special Note to Our Hornets

Hi Hornets!

I'm honored to serve as your Director of Health and Human Services for the 2023-2024 academic year. Over the past couple of weeks, I have been working on getting used to the swing of things for the semester as well as learning more about my role and how I can best support you. I hope the semester has been off to a good start for you and that you are implementing self-care into your routine. I am here for you not only as a part of the ASI Board of Directors, but also as a support system as you navigate your time here at Sac State. Please feel free to reach out with any questions, concerns, or even if you just want to grab some lunch and talk. I'm looking forward to updating you on all the great things the board and I are working on to make Our Sac State feel like a place where your voices are heard, you feel like you belong, and you can be your authentic self!

Stingers Up!

Rosa 😊
