A Special Note to Our Hornets

Hi Hornets!

T-minus 10 days until graduation! Congratulations to the Class of 2024! Your hard work and perseverance have led you to this moment. It has been a privilege serving and representing all of you. Thank you for allowing me the opportunity to advocate on your behalf and have a seat at the table where changes are being made. I encourage you to consider being involved with ASI in any capacity because the experiences are truly life changing. As always, please remember to take care of yourselves and make your mental health a priority. Good luck with your finals and I wish you the best wherever your paths may take you!

Rosa :)
