Report to the ASI Board of Directors March 27, 2023

University CFO Designee – Gina Curry

1. **Summer Session** – Summer session registration begins on April 8th for continuing students (starting with priority groups). Please share the information about this date and remind students to clear any holds.
2. **President's Budget Call** – The budget call is in full swing. The Vice Presidents of all the divisions will be presenting to the University Cabinet and President's Budget Advisory Committee (PBAC) in the coming weeks. PBAC will begin its decision activities in late May.
3. **Commencement Location Contingency Plan** - As noted on the SacSend from the President on March 4th, there is a contingency plan for Commencement if the Sacramento Kings make the NBA Western Conference Finals. If we cannot hold Commencement at the Golden 1 Center, we will have ceremonies here at Hornet Stadium. While the dates would remain the same, ceremonies may be on different days and/or times. This must be done to mitigate heat-related concerns and to allow traffic to be cleared between ceremonies. You can check the Commencement website for full details as the time grows nearer. Also, claim your commencement guest tickets now at: [Guest Tickets web page](#)
