**News:**

*Happy November everyone!*

*First and foremost I want to say that it's a true pleasure to be serving as the 2019-2020 student body president. Hope everyone did well on their midterms.*

*Committee meetings have started so I have been attending all of those to which I am an appointee for. During these meetings I have shared some of the Strategic Priorities the Board has decided to move forward with throughout the year. I have met with our campus partners and begun discussing what we may want the clothing closet can be but have decided to take a step back and first focus on a survey to determine if the closet is something our campus wants. We are beginning to explore the potential of starting the clothing closet and having it be a part of the CARES office instead of the ASI office.*

*CSSA for this month at CSU Fresno the Board of Directors voted unanimously to support the letter of opposition. The CSSA Joint Committee and Finance and Internal Affairs is meeting to discuss the use of a travel grant for students at large. This month at CSU Northridge, CSSA will discuss whether it should eliminate the Sustainability officer and the Social Justice and Equity officer along with their respective committees.*

*I have established a line of communication with the school newspaper to ensure there is coverage of all the neat projects we are working on. The Pumpkins and Pastries with the President event was very successful, thank you to SEO for their hard work in putting this together.*

*My office hours are listed above or email me to set up a meeting, everyone is welcomed. Good luck in your classes and remember to fill out your FAFSA.*

**Committee Updates:**

*Lobby Corps-*

*The committee has been meeting this semester with a good turnout at each meeting. Since our first meeting we have discussed what the committee has done and have tried to realize some goals for this year. Most recently, we had a visit from Mary Washington of the CSSA Capitol office who talked to us about the role CSSA has in advocacy.*

*Student Fee Advisory Committee-*

*Officially appointed by President Nelsen. First meeting of the year is November 15th. The meeting was pushed back one week to allow for President Nelsen to make more appointments. We have received the student fee report from the last academic school year as well as the master student fee report.*

*University Budget Advisory Committee-*

*Officially appointed by President Nelsen. First meeting of the year is pending.*

*University Enterprise, Inc. (UEI)-*

*Attended the orientation for UEI with Jim Reinhart the Executive Director for the auxiliary. The Board also had its first meeting that I attended with our VPF Denisse Garcia. We signed off on our conflict of interest forms and also introduced ourselves to the other board members. A good amount of seats just termed out recently so the Board will be seeing new community faces. We also went over the audit results for UEI, the plan for packaging Dining Common food, Follett Access and Denisse recently submitted our Board photos so that we can be added to the UEI webpage.*

*University Foundation Board-*

*I have met with Dr. Lisa Cardoza the Vice President for Advancement and the Chair of the UFSS Board to discuss the priorities for this school year. Due to class conflicts I may not be present at all UFSS Boards meetings but ASI Business Director Donna Walters has volunteered to give reports on my behalf. The UFSS has been doing an excellent job of keeping ASI involved in their work. The retreat date for this committee has been set for November 6, 2019.*
