**News:**

*Happy first month of school everyone!*

*First and foremost I want to say that it's a true pleasure to be serving as the 2019-2020 student body president. Hope everyone is practicing self-care and using existing resources to deal with the stress that midterms can be.*

*Committee meetings have started so I have been attending all of those to which I am an appointee for. During these meetings I have shared some of the Strategic Priorities the Board has decided to move forward with throughout the year. I have met with our campus partners and begun discussing what we may want the clothing closet to look. CSSA for this month will be at CSU Fresno and I am looking forward to attending and representing Sac State and all that we offer. I have established a line of communication with the school newspaper to ensure there is coverage of all the neat projects we are working on.*

*My office hours are listed above or email me to set up a meeting, everyone is welcomed. Good luck on midterms, listen to my podcast with the State Hornet and check out my ASI Tries video!*

**Committee Updates:**

**Lobby Corps-**

*The committee has had its first two meetings of the semester each with a good turnout. At our first meeting we discussed what the committee does and has done. At our second meeting we discussed more in depth what may be somethings the committee works on for the year and towards the end Nathan Dietrich spoke about the Lobby Corps partnership with the university.*

**Student Fee Advisory Committee-**

*Officially appointed by President Nelsen. First meeting of the year is pending.*

*University Budget Advisory Committee-*

*Officially appointed by President Nelsen. First meeting of the year is pending.*

*University Enterprise, Inc. (UEI)-*

*Attend the orientation for UEI with Jim Reinhart the Executive Director for the auxiliary. The Board also had its first meeting that I attended with our VPF Denisse Garcia. We signed off on our conflict of interest forms and also introduced ourselves to the other board members. A good amount of seats just termed out recently so the Board will be seeing new community faces. We also went over the audit results for UEI, the plan for packaging Dining Common food, Follett Access and Denisse recently submitted out Board photos so that we can be added to the UEI webpage.*

*University Foundation Board-*

*I have met with Dr. Lisa Cardoza the Vice President for Advancement and the Chair of the UFSS Board to discuss the priorities for this school year. Due to class conflicts I may not be present at all UFSS Boards meetings but ASI Business Director Donna Walters has volunteered to give reports on my behalf. The UFSS has been doing an excellent job of keeping ASI involved in their work. Dr. Cardoza sent out an up-date on the things the Foundation has been working on which include: the Reception for Steve Perez as the new Provost on 11/18, SacSends will begin going out to community members of the Board and reaching out about the Honorary Degrees.*

- 2.2.1 Collaborate with campus partners to promote ASI events and programs: Have promoted ASI Programs to FYE classes during presentations*
