News:

Happy first month of school everyone!

First and foremost I want to say that it's a true pleasure to be serving as the 2019-2020 student body president. I have been working hard over the Summer meeting with campus partners to emphasize our commitment to student service.

I have been appointed to the University and Internal ASI committees I will be serving on for this academic school year. For the Cal State Student Association (CSSA), I have been elected to the Finance Committee and Internal Affairs Committee. I have been working with our CSSA Liaison and CSSA Executive members to identify way in which we can be of service to students during our terms. The ASI Board of Directors is about to wrap up its strategic planning and begin carry out the work for Sac State students.

My office hours are listed above or email me to set up a meeting, everyone is welcomed!

University Enterprise, Inc. (UEI)-

Officially appointed by President Nelsen. First meeting is scheduled for Sept. 26, 2019.

University Foundation Board-

I have met with Dr. Lisa Cardoza the Vice President for Advancement and the Chair of the UFSS Board to discuss the priorities for this school year. Due to class conflicts I may not be present at all UFSS Boards meetings but ASI Business Director Donna Walters has volunteered to give reports on my behalf. The UFSS has been doing an excellent job of keeping ASI involved in their work.
