A Special Note to Our Hornets

What's up hornets! I can't believe how fast the semester is going its crazy! Congratulations we made it so far and you're doing amazing! We are only less than 3 weeks out and crunch time is here. Please take some time to eat and drink water and idolize the resources that are here on campus. Final season is coming up soon, please make sure that you are taking some time for you. I will always support you all in anything and know that my door and Dm is always open.

A message to my Iranian constituents and the community:

Salam azizon, your voice is being heard, a change is being made slowly but surely! I know it maybe be hard not being able to talk to family members in Iran trust me I get it, but know that they know you are trying. Keep fighting loud and proud and never give up. Please take care of yourself and use the resources we have on campus, we have free mental health counselors available, make an appointment at 916-278-6461.

Mental health comes first, so please take care of your selves and seek resources that Sac State has to offer, there are many. **Please feel free to reach out to me via email or Instagram @sacstateasial** and ask questions or come to my office hours. I am here to serve you students and together we can make our campus, ours!

Respectfully,
Adoreil Ayoub
