### **A Special Note to Our Hornets**

*Hello fellow Hornets!*

*We are now five weeks into the semester! I hope everyone is having a wonderful semester. I have heard that many of you are struggling in classes due to overworking and remote learning. Please, if you are falling behind; reach out to your professors. Also, take a break and take time for selfcare. Go on a walk, play your favorite video game, finish the shows you need to watch. Just make sure to come back to your schoolwork after. If you need any resources, please do not hesitate to use the Student Health & Counseling Services. The services are opened Monday- Friday 8:30 am- 4:00 pm.*

*Also, do not hesitate to visit my office hours if you should need any help! They are Wednesday & Friday from 10:00 AM- 12:00 PM. Zoom link is above.*

*Lastly, do not forget to apply for the ASI Scholarships. The scholarships are now open and will close on March 19<sup>th</sup>. If you are involved in A&L and advocate for the college; this scholarship will be perfect for you!*
