A Special Note to Our Hornets

Dear Hornets,

We are in the endgame, and this is my final board report. Me and the rest of the board have said it really does go by quick it feels like I got sworn in just yesterday. All of us should be proud of how far we have come and where we are going.

If no one has said it yet students, please make an academic advising appointment. I have heard many stories this entire year of students needing one more class to graduate and it not being available. To avoid this awful situation happening you can either drop in to Lassen Hall, Room 1013 or use this link <https://idp.csus.edu/idp/profile/SAML2/Redirect/SSO?execution=e1s1#/my/appointment-new> to make an appointment. Trust me even if you do it yourself there is nothing like a second pair of eyes to make sure.

I will leave you with this wisdom from August Wilson, “Have a belief in yourself that is bigger than anyone's disbelief”.

Take charge of the little moments,
Aladria
