### **A Special Note to Our Hornets**

Hello fellow Hornets!

I truly hope the Fall semester is going well! As we are coming to the Midway point of the fall semester, let us remember to relax when stressed and to take a break from the stressful environment. I have left a link to counseling services in case any student needs support or help. If any student needs any support, my office hours are posted where we can meet and discuss any help you may need as a student.

On October 24th, The Arts & Letters Department is having an admissions out reach where students will learn more about the department. Come support and see what Arts & Letters has to offer. This virtual engagement will make you fall in love with the arts. As the Saying goes Earth without art is just Eh.
