Welcome:

Hello Hornets,

I hope everyone is having a great start to the new school year. This is my first board report as ASI Director of Arts & Letters. I am so excited to work with the board this year and accomplish our strategic priorities.

My main goal for this year is to serve and ensure my constituents concerns are being met. Since this semester is virtual, I want to make sure that I am helping my college to the best of my ability. I take into account voices of concern ,especially when it is coming from my own college. I want to ensure that I help as much as possible especially in these trying times.

Please, if you have any questions do not hesitate to ask.

Strategic Priorities Update
