### **A Special Note to Our Hornets**

Hi Hornets!

So, this is my first time serving on the board. I am excited to present my 1<sup>st</sup> report as the Director of Arts and Letters. Goals for me this year include assisting students, improving the school, and most importantly being a voice for all students.

Weekly board meetings are the best way to stay informed on what is going on around campus and an amazing way to meet your board members. We do have an allotted time for public comments as well whether it be for a concern, praise, and any questions.

All board meetings are held in person. Should there be any concerns before, after, or prevention to attend because of a schedule clash feel free to visit me in office hours. Dates, times, and agendas are located here. I look forward to serving each of you equitably.

Very excited for the year, Aladria Brown
