### **A Special Note to Our Hornets**

Hi Hornets!

As we move into the **midterm season this March**, I want to take a moment to remind you to recognize the hard work you've already put into the semester. Balancing classes, assignments, work, family, and personal responsibilities is not easy, and every step you've taken so far matters.

Midterms can feel stressful, but remember to **pace yourself, stay organized, and take small breaks when you need them**. Taking care of your mind and body is just as important as preparing for your exams. Don't hesitate to reach out to your professors, classmates, or campus resources if you need support.

You've made it this far through the semester, **trust your preparation, stay confident, and keep pushing forward**.

Wishing you all the best during midterms. You've got this!

**STINGERS UP!**

Best,  
Aadil
