A Special Note to Our Hornets

Greetings Hornet Hive,

It's October already, and time is flying! Many of you might be in the middle of midterms or getting ready for them, and I want to wish you all the best. Don't forget to breathe, sleep, and eat because your well-being matters the most.

Our university also recently celebrated the opening of the BNRC, and I encourage you to make use of that amazing resource, along with the ASI Food Pantry. These programs are here to support you, so please take advantage of them whenever you need to.

As always, I would also love to connect with you! Stop by during my office hours on Wednesdays from 9 a.m. to 1 p.m., or reach out to schedule a time that works best for you. Whether you have ideas, questions, or just want to chat, my door is always open. Let's finish this year strong together :)

Fight for the Hive!
