### **A Special Note to Our Hornets**

*Greetings Hornets!*

*Welcome back, Happy New Year and welcome to Spring semester!*

*I hope you all had a restful winter break and are feeling recharged and ready for the semester ahead. As always, know that ASI is here to support you academically, personally, and in all the ways that matter during your time here.*

*Be sure to stay tuned for our upcoming events this spring. There's a lot happening, and we can't wait to connect with you! Spring also means that the ASI election season is around the corner, so if you're looking for a meaningful way to get involved, make your voice heard, and represent your fellow students, ASI is a great place to start. Keep an eye out for applications and opportunities to run or participate.*

*And a quick reminder as we head into the semester: take care of yourselves. Prioritize your health and mental health, pace yourself, and don't be afraid to ask for support when you need it.*

*Wishing you all a strong, healthy, and successful Spring 2026. Take care, and see you around campus!*

*Fight for the Hive!*
