Hola Avispas! Get ready for an amazing new year full of unforgettable memories and new friendships! This is your year to dive in, get involved, and make the most of every moment. From game days to club meetings, dances to spirit weeks don't just watch from the sidelines, be part of it all!

Say yes to new opportunities, cheer loudly, laugh often, and make connections that'll last long after the year ends. Whether you're new to the hive or a returning Hornet, there's a place for you here.

This year is extra special we're celebrating milestones that show just how far our Hornet Family community has come. It's ASI's 70th Anniversary, 10 years of our Food Pantry serving students, and 35 years of KSSU so there's even more reason to celebrate together and be part of the legacy.

But before you jump into all the fun, don't forget the basics that make it all possible. Get into your classes, find your routine, and stay on top of your work early. A good night's sleep and taking care of your mental health are the real foundation of a strong semester everything else builds on that. Take care of yourself so you can show up fully for all the memories waiting to be made.

Let's make this the best year yet, together!

Our Hive, Our Home. GOOO HORNETS!

In service, Sergio Antonio Maciel Montoya
