A Special Note to Our Hornets

Greetings Hornet Hive,

Welcome to the Fall 2025 semester. I extend my heartfelt wishes that you stay strong and make the most of this year. I am truly honored to serve as your elected voice as ASI President, and I am excited to represent you.

I invite you to connect with me through Instagram, email, or by visiting my office hours. This campus is full of resources like the Food Pantry, Peak Adventures, Children's Center, ASI Scholarships, the Aquatic Center, Safe Rides, CARES, Student Health and Counseling services and so much more. Please take advantage of them because they're here to support you and help you thrive.

Remember, university life should be more than just the classroom, so make the most of your time at Sac State. Go out to events, join committees, meet new people, and give yourself space to learn, grow, AND RELAX (Let's take a deep breath right now 😊). And please don't forget to take care of yourself in between your packed schedules and exams because your mental health and well-being are of the utmost importance.

And when people try to hold you down or tell you that you're not enough, remember to tell them "Stingers Up!" and "Negativity Down!"

Fight for the Hive!

With Hornet Pride,
Aranjot Kaur
