A Special Note to Our Hornets

Hi Hornets!

Thank you for all that you do at our campus! I hope you are taking care of yourself and taking time to relax. I am honored to serve all 31,000 students and be your strongest advocate. If anyone has any questions, comments, or concerns please reach out to me and I will do my absolute best to assist. Remember your voices matter and you are the most important stakeholder on our university. Lastly, I hope midterms treated you well and you can finish this semester strong!

Kind regards,

Salma Pacheco

Office Hours

My office hours are spent meeting with students and sitting at my computer trying to get everything I need to done. These last couple of weeks I have been meeting with students

journalists from the State Hornet. I believe being as transparent as I can be with students is important and a part of my job is to provide you all with information.
