Presidents Update

Welcome Back Hornets!

I would like to start by saying that it has been my pleasure to serve as your ASI President this summer! It certainly has thus far been my most busy summer with ASI, with action needed on legislation at the state and federal level, business plan adjustments needed to address the changing landscape of our community due to COVID-19, and planning how to confront the systematic racism in our country which has grown into a nationwide movement. We also had our own internal work to do in order to be on track for a successful year as your representative body, including the filling of 3 openings on our ASI Board of Directors, holding our first virtual retreat, and planning for how to effectively serve you, the students, without being able to step foot in our offices.

With all these challenges, our board has been dedicated and quickly adapted to this new virtual atmosphere. Below you will find a list of all the meetings and events I attended this summer, this is just part of the story, as most 1 on 1 meetings with internal staff I have not included. It was my priority this summer to build connections on campus with the leaders of our university and campus partners, so that we may touch base again when collaboration is needed. Though this year's start has not been what I planned for us, or had envisioned for my ASI Presidency, I am confident that our Board is equipped to serve our students well this year. Keep an eye out for our strategic priorities which will be passed in the near future and direct our work this year. Please feel free to reach out to me with any questions, concerns, or requests for assistance.

Noah Marty

Internal Committee Updates

ASI Marketing Committee

Meetings have been occurring over summer

Lobby Corps

Meetings have yet to start

University Committee Updates

Alumni Association Board of Directors

Meetings have occurred over summer, ASI update has been given at each meeting

Strategic Priority Updates

During our Summer Board Retreat we began drafting our strategic priorities, since then we have been working on finalizing them by the second formal board meeting. They have been worked on during our September 2nd Board meeting, will be worked on during our September 9th Board meeting.

Current Project Updates

- Strategic Priority planning
- Convocation Breakout Session Planning
- CSSA Advocacy form
- More to come next month as summer projects have been complete and many school year projects still in planning phase
