CSUnity/August Plenary

Since our ASI Board retreat took place during the same weekend as CSSA's August Plenary, also known as CSUnity, both Christian and I did not attend the latest plenary. We have yet to be briefed on what happened by a CSSA Executive Officer, but once we are, presumably during the next plenary, I can share such information upon request.

September Plenary: CSU San Marcos

The next CSSA plenary will be at CSU San Marcos from September 21st-22nd. Please note that I will not be at my full Friday office hours on September 20th since my flight to this plenary takes place during that Friday afternoon before 5 PM.

Lobby Corps

As you may know, one of my roles within ASI is to serve as the Vice Chair of Lobby Corps. Ethan, the ASI OGA Legislative Affairs Coordinator, is the Chair of Lobby Corps this year.

This committee has not officially met yet, but the first meeting is scheduled for Thursday, September 19th, and I encourage you to attend! Even if you cannot commit to Lobby Corps as a member, you are more than welcome to sit in on any of our meetings. We meet bi-weekly from 4:30-5:30. Even if you cannot make any of the meetings, I will still be including our activities in

this section of my monthly board reports for your information. However, I still strongly encourage you to attend at least one Lobby Corps meeting this academic year if your schedule allows.

OGA Activities

During ASI week, which is the week of September 9th-September 13th, OGA will be tabling. One event in specific will be at the ASI Block Party in the Residence Hall Quad on Thursday, September 12th from 4-6 PM, and will be dedicated to voter registration.

Since this takes place after the Formal Board Meeting on Wednesday, September 11th, if you vote to approve the Strategic Priorities regarding voter registration efforts, I encourage you to attempt to attend this tabling event in effort to achieve your Strategic Priorities—particularly 1.1.2., which entails supporting OGA in tabling events and sets a target of supporting 5 of such events and registering at least 300 students in total. Of course, this is only assuming that this particular Strategic Priority is voted on/approved before this tabling event on Thursday.

Even if for any reason this does not make the final cut for your Strategic Priorities, I encourage you to attend if you can! Voter registration is incredibly important.

Events and Calendar Items Attended

8/9 – 8/11	Attended ASI Board Retreat to formulate Strategic Priorities
9/4	Attended Working Board Meeting in Riverview Hall Conference Room
9/6	Attended Honors Fall Convocation and presented about ASI & CSSA-related business

Respectfully Submitted,
