**A Special Note to Our Hornets**

Dear Hornets,

I hope this message finds you well as we begin a new academic year.

My name is Chibuike Michael Ezech, and I am currently a second-year student pursuing a degree in Mechanical Engineering. I am proud to be part of the inaugural cohort of the Black Honors College here at California State University, Sacramento. It is both an honor and a privilege to have been elected by my peers as the first-ever Director of the Black Honors College for the 2025-2026 academic year.

Together with the rest of the ASI board, I am dedicated to serving and representing the students of Sacramento State. We are all on this journey together, and I look forward to collaborating with each of you. Stingers Up!

Sincerely,

Chibuike Michael Ezech
