**Special Note to Hornet:**

Dear Hornets,

Welcome back for the fall semester! If this is your first semester at Sacramento State, welcome to the Hornet community. I hope your semester is off to a good start. If you have already encountered a few bumps along the way, I hope things improve as the semester continues. As one of your representatives in student government, I am happy to assist however I can and connect you with resources that may support your situation, so please do not hesitate to reach out.

I remain committed to encouraging student leadership across our campus, and in that spirit, I am excited to announce the launch of the **Black Honors Scholars Association (BHSA)**, the first student organization affiliate of the Black Honors College. The BHSA is rooted in student leadership, excellence, and community engagement, and is open to all Sacramento State students. It is my pleasure to invite you to her first general meeting on **Friday, October 2, from 1:00–3:00 p.m. in the BHC Library, Room 11** to learn more about the organization and explore opportunities to get involved, or support her mission.

Here is to an amazing semester ahead! Believe in yourself and shoot for the best— remember, if you are here, you are already on the path to success!

Sincerely,

**Ima-Abasi Etokudo**
