March Plenary and CHESS

March's CSSA plenary took place on Saturday, 3/7 here on campus at Sacramento State! Since this plenary was only a day long, shorter than usual, being that it was CHESS weekend, not many committees met. I encourage you to look at the agendas and their attachments for both the plenary itself and each committee meeting within the CSSA Share Drive which is available to the public via this link:

For more information and details, please see my March plenary report, which includes some details on CHESS as well.

Lobby Corps

Our last Lobby Corps meeting was on 2/27, and we had a guest speaker, Sarah Couch, Senator Bates' Legislative Director. She is also a Sac State alumna, and had a ton of experience in ASI. It was great to hear her talk about her experiences and hear the advice she had for us!

We also did the mock capitol visits, in which Noah Marty and I were pretend legislators taking meetings. It was a really great simulation and I hope that this becomes a tradition within the future of Lobby Corps!

Our next meeting will be on 3/12 assuming that it doesn't get canceled per campus policies on Coronavirus.

OGA Activities

There are not many OGA activities nor updates to give at this time. I would just like to thank Savannah and Ethan for their efforts in planning and helping out in the CHESS reception!

As far as students registered to vote through ASI efforts, we still have 214 students registered to date.
