A Special Note to Our Hornets

Happy Spring!

As the month of March and midterm season concludes and we set our sights on our last full month of the 2021 – 2022 academic year, now is the perfect time to stop and look at where we are. To all my fellow hornets, I am proud of all that you have overcome and accomplished this year at a time whereas we are continuously adjusting to normalcy after an entirely online school year not too long ago. While there is still more time to accomplish a lot, my best word of advice is to keep making the most of the time you are here and always start the day with the goal of concluding it with yourself in a better position than when you wake up.

The Residence Hall Association has been working diligently this year to regrow after being heavily impacted by the COVID-19 pandemic. As progress is being made to further engage our +2,100 dormitory residents within the community, we are projecting that upon the start of next semester RHA will be in a comfortable position as it held prior to the pandemic. This April, we will be electing our new Executive Board for the upcoming academic year and providing them with all the necessary resources, logistics and pre-coordinated events to ensure a stronger year and more for residents to look forward to. I will keep you all posted on what happens next!

From yours truly,
Francisco

Residence Hall Association

Throughout the month of March, RHA has seen the full admission of additional members among its hall councils, including the American River Courtyard, Hornet Commons, Jenkins, Riverview, Sierra, and Sutter. Not only has our Spring 2022 membership increased, but so has the overall participation and morality among the councils leading to more innovative ideas for events (even more thoughtful collaborations with their Resident Advisors) and interests for advocacy on behalf of the residents. Our events are now being planned at a quicker frequency with more input for each proposal than seen during the fall 2021 semester, and the councils have recently unanimously voted on a call for an RHA collaboration with ASI for a talent show around the end of September 2022. The next steps for RHA are to plan out the months of April and May for our residents while heavily advertising our elections for a new Executive Board set for April 19th, followed by a thorough transition period for newly elected members to adopt and begin acting on goals set for the incoming year.

Internal Committee Updates
