**News:**

Hey y'all! Hope fall is treating everyone well and I hope everyone had a fun and safe Halloween. The semester is almost done so hang in there. A few ASI updates: congratulations to all the directors who have hosted their kick off event! We still have a few more so keep an eye out for those to come. ASI is hosting a Thanksgiving food basket drive. Clubs or individuals can donate, so please do! We also have a river clean up this weekend, so come out and help us de-litter our river.

As the semester winds down and finals approach, remember to keep on top of dealines and to go to class. However, it is also important to remember to take care of yourself as well. Spend time doing something you enjoy to distress from school.

**Committee Updates:**

**Internal Committees:**

Green Team

- The Green Team is partnering with Peak Adventures and RHA to host a river clean up. It will be on Saturday, November 16<sup>th</sup> from 9am to 12pm. There will be refreshments available to those who come out and volunteer. We hope to get a big turn out!

Student Social Justice and Equity Committee

- SSJEC is hosting a diversity and inclusion forum on November 19<sup>th</sup> from 3-5pm. There will be panelists from both the student body and staff and faculty. There will be refreshments provided by Gordito Burrito as well. This event is bein hosted in the Cottonwood Suite of the Union.

Student Relations

**Jennifer Gross**  
Executive Vice President

- Student Relations Committee is working on planning a student voice survey for the year. We are still looking for more students to join the committee and work on this project. Meetings are every other Monday from 4-5pm.

University Committees:

Honorary Degrees Committee – Nominations are now closed for the honorary degree committee. We met on November 5<sup>th</sup> to discuss the nominations and selected our recommendations. These will now be sent to President Nelsen to be reviewed and approved.

Homecoming Committee – Committee is complete.

Grade Appeals Panel – All appeals have been reviewed and are completed. Final letters of resolution are being drafted and will be approved by the committee before being returned.

**Strategic Priority Updates:**

*2.1.1 Increase number of student participants on Green Team* – we still only have 6 appointed students, according to our committee spread sheet. This is 4 shorts of reaching our goal. Hopefully we can appoint a few more next semester and meet this.

*2.4.1 Purchase board specific Hornet gear for advocacy efforts* – legislation is in place to approve funds to meet this priority.

3.1.1. Research feasibility of “Donate the Change” for the ASI Food Pantry –

3.1.2 Hold a drive for the ASI Food Pantry –
