**News:**

Hey y'all! Hope everyone is off to a great start to their school year and excited for this upcoming year. There are a lot of great events coming up and I hope to see everyone there. Remember that this week is ASI week, so I hope everyone goes to as many events as possible to show face and get word about ASI and the board out there. We still don't have an EDU director so please reach out to anyone and everyone to apply if they are in the College of Education. Other than that, I hope everyone is excited for our dean meet and greet next week, where we will get an opportunity to share our priorities with them.

**Committee Updates:**

**Internal Committees:**

Green Team

- The Green Team's mission statement as stated in the ASI Operating Rules is "To make Sac State a sustainable campus through education, promotion, and implementation of sustainable efforts." This committee will meet on Mondays from 2-3pm alternating weekly with DOC meetings. Chairing this committee will be Samantha Elizalde, our Social Sciences and Interdisciplinary Director.

Student Social Justice and Equity Committee

- SSJEC will meet on the same week as Green Team and Student Relations Committee, or as needed. The committee will host its meetings on Mondays from 3-4pm, alternating weekly with DOC.
- Gabriella Santiago, Director of Graduate Studies, has been designated as chair of this committee, in place of the EVP. She will also be the board attendee on the University Diversity Council Committee.

Student Relations

- Student Relations will meet on the same week as Green Team and SSJEC, or as needed. The committee will host its meetings on Mondays from 4-5pm, alternating weekly with DOC.

University Committees:

Honorary Degrees Committee – met with chair of committee to go over the process of being nominated and timeline for making a recommendation to the University President. The nominations will open on September 16<sup>th</sup> and be open for about a month.

Grade Appeals Panel – Meetings have yet to begin.

**Strategic Priority Updates:**
