Introduction

Hello Hornets!

My name is Juliette Lopez, and I am so grateful to be back as your 2025-2026 ASI Director of Business. A little bit about myself, I am in my fourth year concentrating in General Finance and minoring in Economics and Global Engagement & Leadership.

I look forward to serving the College of Business as a liaison and advocate of the student voice to the campus-wide level. One goal I have is to amplify innovation and career-readiness for students on campus.

*Wishing you all the best this semester,
Juliette Lopez*

College Updates

The College of Business's Office of Student Engagement hosted their annual "Biz Fest" on September 2nd right outside of Tahoe Hall. The College of Business also had a staff and faculty Annual Retreat where they discussed key themes, such as, AI, that they want to delve into over the next three years. The COB is looking forward to what this new school year will bring.

On September 10th I met with Bonnie Beevers and Dean Jean-Francois Coget. We discussed a taskforce that Dean Coget is working on AI and technology implementation to address Provost Cameron's priorities and goals for Sac State. I am also working to create a joint council within my college to serve as a sounding board for the COB and a Business Club Union to address some of the needs/wants of the business club presidents.

Committee Updates

Finance & Budget Committee- Appointed on July 29th by the VPF as the 1 non-executive ASI Board member. Had our first meeting on September 16th we introduced the F & B Committee, went over expectations and the timeline and jumped right into discussions on election expenditure limits and how the implementation of slates can affect them.

President's Budget Advisory Committee – Expressed my interest in joining the Committee to the ASI Executive Vice President, ASI Vice President of Finance, and ASI Vice President of University Affairs.
