A Special Note to Our Hornets

Welcome back to campus! I hope your semester is off to a great start, and I am excited for what is ahead. It is truly a privilege to represent our ECS college here at Sac State. I am eager to work alongside all of you to make this semester a meaningful and successful experience for both current and future students.

The ASI Board of Directors is always here to support you, whether it is concerns about your classes, personal issues, or campus life. We are committed to addressing your needs and bringing the best resources to you. If you have any questions or need assistance, please feel free to stop by during my office hours at the ASI Office or reach out via email.

Wishing you all a great semester!

News/Announcements:

ASI Day on the Lawn on October 1st

Bingo With the Board on October 2nd

ECSJC Meeting on October 2nd

ASI Scholarship Applications close October 11th

Current Project Updates:

ECSJC: So excited to announce our Joint Council is officially up and running, I will be serving as Vice President. We had our very first meeting and had around 15 different clubs in attendance. Amazing to see such

a full classroom and so many students eager to do great things. Had the opportunity to present on ASI and education students on the club registration/re-registration process. Attended our first event, the ECS Welcome Back Event, where we had the opportunity to engage with students and fellow clubs.

Hornet Hacks AI Hackathon: Exciting News! The hackathon is back and I am so honored to join the Hackathon Leadership team this year after joining the event as a competitor last year. I had my first meeting with the leadership team on 9/23/2024 to discuss my involvement and possible ASI collaboration.

Committee Updates:

Academic Information Technology Committee (AITC):

Academic Senate: Productive conversation at the last meeting discussing the inaccuracy of turnitin Ai detection tool. We also discussed the Pros and Cons of AI usage in Academia. Looking forward to continuing this important conversation and possibly creating positive change.

Intercollegiate Athletics Advisory Council:

Strategic Priority Updates:

1.1.1: Actively promoting the upcoming Voter Education Event

1.3.2: Posting education flyers about ASI Scholarships and textbook reimbursement on my social media and my bulletin board (located in Riverside Hall)

3.1.1: I have reached out to the Alumni Association multiple times about meeting and possible collaboration, **never received a response from them.**

3.2.2: Collaborating with the Carlson Center to host Hornet Hacks Hackathon Event.

3.3.1: Met with ECS Deans to discuss experiential learning opportunities within my college,
