A Special Note to Our Hornets

Greetings Hornet Hive,

As we approach the end of the semester, I'm proud of the collaboration and progress we've made across committees, university initiatives, and statewide representation. From advancing our AI & Digital Transformation efforts to strengthening international student support and financial transparency, November has been about building bridges that move our mission forward.

In Service to the Hive,  
Richard Angulo  
ASI Executive Vice President

Richard Angulo  
ASI Executive Vice President

### **Internal Committee Updates**

#### ***Greek Life Committee***

- Coordinating creation of a **Greek Life Master Calendar** with **Ashley Torres-Gibson** and **Kayla Johnson**.
- Preparing for **Greek Week of Service** and philanthropy efforts supporting **Give Tuesday**.

#### ***International Students Committee***

- Led the **International Student Support Meeting** on registration and enrollment challenges.
- Proposing an **ASI International Student Scholarship** and survey to gather student perspectives.

### **University Committee Updates**

#### ***WSCUC Steering Committee***

- Reviewed the **CFR tracking log** and confirmed submission benchmarks through March 2026.
- Contributing to **Round 1 essay submission (due Dec. 5)** with student insights on retention and engagement.
- Ensuring ASI's perspective aligns with **Strategic Priority 5 – Accessibility & Retention**.

#### ***AI & Digital Transformation Steering Committee***

- Participated in the renamed **AI Steering Committee**, chaired by **Dean Jean-François Coget** and **CIO Mark Hendricks**.
- Advocated for balanced, equity-focused AI implementation addressing opportunity and risk.
- Supporting development of a **campus AI maturity assessment** and student feedback framework.

Richard Angulo  
ASI Executive Vice President

*University Disability Access Committee (UDAC)*

- Continued work in the **IRT Subcommittee** on digital accessibility and inclusive technology.
- Providing student feedback to improve communication around disability-related systems.

**Strategic Priority Updates**

*Innovation & Career Readiness*

- Co-developing Sac State's **AI & Digital Vision Statement** under the AI Steering Committee.
- Represented Sac State in **CSU systemwide AI policy discussions** to strengthen AI literacy and ethics.

*Financial Sustainability & Collaboration*

- Partnered with **VPF Sergio Maciel** to refine **Election Code financial provisions** and promote transparency.
- Supported **ASI and Greek Life philanthropic efforts** tied to **Giving Tuesday**.

*Accessibility & Retention*

- Continued contributions to **WSCUC** and **UDAC**, aligning ASI's role with institutional student-success goals.
- Advancing initiatives that improve **international student access and retention**.

Richard Angulo  
ASI Executive Vice President

### **CSSA Updates**

#### ***CSSA Plenary – CSU East Bay (Oct. 17–19)***

- Spoke on the **CSU AI Initiative** and the \$17M OpenAI partnership, emphasizing student representation and transparency.
- Advocated for **AI literacy**, **data ethics**, and **student engagement** in systemwide AI policy.

#### ***Northern Region CSSA Meeting (Oct. 7)***

- Shared updates on Sac State's committees and discussed collaborative DEI and innovation initiatives with CSU peers.

### **Next Steps / December 2025 Focus**

- Finalize **Round 1 WSCUC CFR submissions** (Dec. 5).
- Complete **AI & Digital Vision Statement** draft with Dean Coget and CIO Hendricks.
- Plan **AI Literacy & Innovation Workshop** with OpenAI EDU and Director Bhatt.
- Support **Give Tuesday** and finalize semester reports for ASI committees.
