A Special October Note to Our Hornets 🐝 🧡

MaBOOhay Hornets,

We are officially at the midpoint of the semester and yes, things are getting a little spooky. But the only ghosts haunting you right now should be the ones on your costume, not your grade report. You have made it this far, and we are here to make sure you keep going. October is a month full of meaning, and your Board is not letting any of it go unnoticed.

World Mental Health Day (October 10th) is a reminder that midterm season has a way of making everything feel heavier than it needs to and that asking for help is not a sign of weakness. It is one of the bravest things you can do. Student Health and Counseling Services is here for you. So are we. You are never as alone as it feels at 2 A.M. before an exam. World Food Day (October 16th) brings it home: no student should ever have to choose between eating and studying. The ASI Food Pantry is open to you, judgment-free, and ready to serve. If you or someone you know needs support, please do not hesitate. United Nations Day (October 24th) marks the founding of an institution built on the belief that a more just and peaceful world is possible and that students have always been at the center of building it and at the core center of change. We also celebrate Filipino American History Month, honoring the rich contributions of Filipino Americans to our nation and to this campus, and Diwali, the Festival of Lights, wishing all who observe a season of light, joy, and new beginnings. Lastly, don't forget to register to vote Hornets, elections are right around the corner and we want to encourage you to be civically engaged!

Midterms are temporary. The growth happening inside you right now is not. Be gentle with yourself, reach out to your people, and if you need us, you know where to find us. 🎃

Your ASI EVP, 2026-2027
