A Special Note to Our Hornets

Welcome Back Hornets,

I hope your spring semester is off to a great start. My name is Samantha Elizalde, and I was sworn in as ASI Executive Vice President right before the start of the spring semester. I served during the fall semester as ASI Vice President of Academic Affairs, where I worked on representing students on academic related issues. My term as VPAA was amazing! I was able to connect with various faculty, staff, and administration and work on how to best serve the students at Sacramento State. It was an honor being able to serve as VPAA and I look forward to finishing off my term as EVP.

This semester I hope for more students to be engaged and involved with ASI. Whether it is joining a committee, attending a board meeting, or utilizing one of the amazing services ASI offers. There are so many ways ASI strives to serve students. To learn more about what ASI offers, check out the ASI website (asi.csus.edu). Stay updated by following your board members and different ASI centers and services on social media platforms.
