A Special Note to Our Hornets

Hello Hornets,

Welcome! I hope your first 2 weeks of the semester has started off great! My name is Joseph Sais or you can call me Joey; and I am the Executive Vice President for this academic year! As your ASI representative, I do want to ensure this year is full of transparency especially when we begin to transition back on campus. A Majority of programs and spaces have reopened at Sac State. With safety and precaution make sure to visit the campus and see what Sac State has to offer.

Students last year were completely burned out early in the semester; and I want to ensure students have resources for their self-care and mental health. Please take care of your mental health; take a break from studying and classes and do something you enjoy. September is National Suicide Prevention Month. Below are resources you can use in any case that you may need them.
