September

- 14. Classroom Presentation

A Special Note to Our Hornets

Hornets,

Welcome back to campus! It is amazing to see life on campus working its way back. I hope that you are all getting settled into your new schedule of classes and finding ways to participate and get involved on campus.

One thing I always advice, is to get involved! Really, get involved...with ANYTHING on campus!

There are so many clubs and organizations to explore, some new and some old. If you aren't sure where to begin, let's connect. I'd love to help you find where you will feel the most at home.
