Introduction

Hello Hornets!

I hope you are all doing well and are enjoying the beautiful Sacramento Fall weather and landscape. This month has been full of innovation, community, and spirit. I wish you all health and safety with these colder months coming up. Be sure to continue going to class and prioritize being present. With colder and darker days can come some feelings of sadness or apathy, know that you are not alone and there are lots of people on and off campus who can help you.

*You're the best,
Juliette Lopez*

College Updates

Deans Honors List photos were taken and the list for Spring 2025 was published. Be sure to congratulate your peers on their academic achievement! The COB also wished farewell to the Dean's Office admin assistant, Mylah Vargas, as she transitioned to a new career opportunity. The COB continues to work hard at ensuring AI is implemented in a responsible and ethical manner. The Business Clubs on campus are doing an outstanding job engaging with their peers and collaborating with one another to truly enrich business students' lives.

News

On October 8th I met with Bonnie Beevers and Dean Jean-Francois Coget. We discussed a variety of on campus topics such as the impact of the budget, the expectations of our college, and how we can ensure students and their success remain the number one priority.

Committee Updates

Finance & Budget Committee – Elected a vice chair, discussed at great lengths the state of slate campaign expenditures, garnered feedback from students about how to maintain ethical and equitable campaigning. Had a presentation from Student Engagement and Outreach and Government. SEO is anticipating major increases in the cost of elections due to the recent implementation of slates.

President's Budget Advisory Committee – Recommendation of my appointment sent on behalf of the Board on September 22.

University Budget Advisory Committee – Officially appointed by Dr. Luke Wood on October 14.

College of Business Joint Council – First meeting held October 9th. We talked mostly about the international business student experience and internship struggles
