

## Welcome to the 2025 ASI Spring Election.

Please take time to read this FAQ page. Click "Proceed" when ready.

### Why can't I vote for all the candidates?

Your status (grad, undergrad) and your college (Business, Education, Arts and Letters, etc...) determines who you can vote for. See examples below.

- All eligible voters can vote for the Executive Positions (Presidential Ticket (President & Executive Vice President), VP of Finance, VP of University Affairs, VP of Academic Affairs), Cash for Clubs and Survey questions.
- Defined undergraduate students are only eligible to vote for the director of their college. For example, students in the College of Business can only vote for the Director of Business.
- Undefined undergraduate students are not eligible to vote for any college director.
- Unclassified graduate students are eligible to vote for the Graduate Director, but not for a director of a college.
- Classified graduate students are eligible to vote for the Graduate Director or for the Director of their college, but not both.
- Double major students (not minor) can vote for either college they are majoring in, but not both.
- "Expressed interest" students are treated as "undeclared" and can vote for the Undeclared Director.
- "Pre-major" students can vote for the director of the pre-major college.
- Black Honors College students in a defined major can vote for either the Black Honors College Director or the Director of their College but not both.
- Students who have been admitted into the Black Honors College (BHC) but are undeclared majors can vote for BHC Director or Undeclared Director but not both.

(Note: You will only see candidates that you are eligible to vote for. Please contact Gerald Tubo at [gtubo@csus.edu](mailto:gtubo@csus.edu) or 916-747-7409 for additional questions.)
