**News:**

Hey everyone! I would like to start off by thanking everyone that is a part of this wonderful organization who has made this transition run smoothly for me. These last couple of weeks have been packed with meetings as I try to catch up on everything that I have missed. I am currently planning my kick-off event; I plan to have it in mid-November. I have met with Dr. Gonzalez who knows of all the clubs and committees within the College of Education, and she helped direct me to the clubs' organizers. Some things that I have planned for the upcoming weeks are meeting with the Dean and getting in contact with the faculty advisors that help run the different clubs within the college.

**Committee Updates:**

University Committees –

- Parent Advisory Committee: I met with PAC earlier this month and I was officially appointed part of the committee. One issue that came up was the decline in student-parents finding interest in the center because of the fear of rejection. A committee member serving on PAC also serves on the organization CCAMPIS, which provides grants to student-parents for child care, as long as they meet the minimum requirements. The committee members, along with myself, are currently working on bringing more awareness to student's campus-wide about the Children's Center and what it has to offer.
- Anthony J. Leones Scholarship Committee: In progress.

Internal Committees –

- ASI Memorial Scholarship Committee: Applications for ASI Scholarships are currently open and will close on October 18<sup>th</sup>. Following the closure of the application, the committee will begin scholarship review.

**Strategic Priority Updates:**

*1.3.1 Work with OGA team to create a simplified voter information packet on propositions and how each office they are voting on matters to college students:* Until the information for the future proposed bills are released, basic information regarding voting will be released to inform students of the steps needed to be taken in order to vote. Following the release of the future proposed bills, a summary of each item, along with information on how they will impact students, will be provided.

*3.1.1 Research Feasibility of “Donate the Change” for the ASI Food Pantry:* In progress.

*4.3.1 Raise Awareness of Existing Graduation Initiative Efforts:* In progress.

**Events/Calendar:**
