News:

Welcome back Hornets! I hope the first few weeks of school have been enjoyable, and that you have gotten the chance to get involved with clubs and organizations. The Board of Directors have been at work since the summer planning for the 2019-2020 school year. There are many exciting things that will be coming up this semester- stay tuned. We hope to see you at one of our Board Meetings this year that occur every Wednesday!

Committee Updates:

ASI Finance and Budget Committee:

The Finance and Budget Committee will gather for its first meeting on September 24. This committee will meet every other Tuesday from 3 p.m. to 5 p.m. There are currently 6 students at large and an additional Board member who sit on this committee.

Dollars for Clubs and Organizations Committee:

ASI hosted two DOC Workshops in August during the SO&L Leadership Conference. An additional 3 DOC Workshops will be available for students throughout the semester. With the new transition from OrgSync to Presence, the ASI staff has been working diligently to make the transition as smooth as possible for students. Additionally, multiple changes were made to the DOC Operating Rules during the summer that will be in effect this year. Currently the committee has 4 students who have been appointed. Meetings will begin Monday, September 9 and will occur every other week after that.

ASI Scholarship Committee:

Applications for ASI Scholarships will open on September 20th and close on October 10th at 5:00 p.m. There are multiple scholarships available for students, do not miss out on this opportunity! If you would like to be part of the Scholarship Committee do not hesitate to reach out to me.

Strategic Priority Updates:

Strategic Priorities are in the process of being finalized. Once the Strategic Priorities are finalized and voted on by the Board they will be made available on the ASI website.
