A Special Note to Our Hornets

Hello fellow Hornets!

I hope you all are well and taking care of yourselves as we begin week 6 of Spring 2021. There are a few updates from our strategic priorities which I have listed below. I am happy to announce that I will be attending the California Higher Education Summit (CHESS) on Sunday, March 7th. I am thrilled to get the chance to participate in educational workshops that can improve my leadership skills and knowledge of public policy. I hope to see many of you there!

I am particularly excited that through collaboration with faculty and staff in the College of Education, we are attempting to create our very own CoE Newsletter for students to stay up to date on events, projects, and information pertaining to our various new departments.

I also want to encourage you to attend our board meetings so you are able to catch our progress on our strategic priorities as well as voicing any concerns, questions, or comments you may have. All of our board meeting dates and times can be found [here](#).

I look forward to serving all of you and providing support during these hectic times.

Danielle Cochrane
