### **A Special Note to Our Hornets**

Hello fellow Hornets!

I hope this semester is treating you all well. As the semester begins to gear up, or simmer down for some of you, just know that you are not alone. I am more than eager to support and guide anyone that needs it. I encourage everyone to visit me during my office hours or email me if they have any questions or concerns.

I am excited to begin working on our strategic priorities that have been finalized for the 2020-21 academic year. I was fortunate enough to join and listen-in on Sac State's very first Antiracism Convocation. It was a beautiful learning experience, and I wanted to encourage you all to keep an eye out for new events that are going on, become more involved, and learn some new perspectives. I enjoyed getting the chance to play virtual games with some board members in ASI's Virtual Games with the Board. I was also able to meet with most of my committees and am excited for what's to come.

I look forward to serving all of you and providing support during these hectic times.

Danielle Cochrane
