A Special Note to Our Hornets

Hello fellow Hornets!

This is my first board report as the 2020-21 ASI Director of Education and I am honored to have the opportunity of serving the Sac State student body in this role for my very first term.

My main goal and responsibility is to serve and represent you all as well as provide a helping hand in any way I can, so please don't hesitate to reach out to me if you ever have any questions, concerns, or ideas to help me better serve you.

Please feel free to join in on our weekly board meetings as a way to stay connected and informed. This is a great way to receive information and changes that affect students. There is also provided time during the board meetings for students to voice any comments, questions, or concerns to the ASI Board, so I encourage you to attend. All dates and times for our meetings can be found [here](#).

I look forward to serving all of you and providing support during these hectic times.
