*A Special Note to Our Hornets:*

*Hello Hornets, welcome back to campus!*

*I am truly excited to continue serving this year on the ASI Board. As a fourth-year student majoring in Information Systems, being elected to office in May 2025 has been such a rewarding experience.*

*I am grateful to work alongside an incredible team of directors and administrators who share the same passion for prioritizing students and strengthening student services. As an Executive Director, I am especially excited to advocate for the voices of Sacramento State students and ensure they are represented in every decision we make. My goal is not only to support ASI's mission but also to help build an empowered community where every student feels heard and valued.*

*Looking ahead, I am eager to continue making a difference by focusing on our strategic priorities, financial needs, and the opportunities that matter most to students. I cannot wait to advocate on your behalf and serve you to the best of my ability.*

*In service,*

*Sergio Antonio Maciel Montoya*
