Personal Note:

Hello Hornets,

Welcome back to campus!

I am honored to be serving as the ASI vice president of finance this year. I am a third-year student majoring in Accounting, planning on graduating a year earlier, hence being in my senior year currently. Since being elected to office in June 2026, this opportunity has been an incredibly rewarding learning experience. I am grateful to work alongside a dedicated group of directors and administrators who are committed to putting students first and ensuring they have access to the support and services they need to succeed. As an Executive Director, I will value ASI's mission by recognizing the voice of Sacramento state students. Not only will I contribute to their mission but also their vision to be a student body that creates an empowered community.

In conclusion, I look forward to making a meaningful difference at Sacramento State by supporting our strategic priorities, addressing our financial needs, and serving our students to the best of my ability.

*In service,
Harpreet Bahia*

ASI Finance & Budget Committee

Serving as the Chair

The F&B committee starts September 22 which will be held every other Tuesday from 3pm-5pm in the Green & Gold Room, University Union, along with the Children's Center and Aquatic Center. This committee will oversee and manage all financial aspects of ASI and focus on reviewing/creating ASI yearly budget. I am using my social media platform to outreach to students to join this committee, along with directly reaching out to students who are interested in joining committees and past members. I have posted social media flyers with detail of how to join the committee and what this committee is all about. At this point we are still in need of more students to join.
