**News:**

*Hello Hornets,*

*Hope you are all safe and doing well.*

*Can't believe we are almost done with the semester. So many ups and downs. So many problems, but we came out strong! Because I am graduating this semester, I have mixed feelings while writing this report – really happy that I got a chance to serve you all and learn a lot while being a part of ASI for around two years, but sad to leave ASI and CSUS.*

*Please check the enrollment options for the next semester. I already welcome the hornets to campus who will have their first in-person classes next semester and welcome back to all! It is going to be an amazing experience and you will make great memories in the library, union, and AIRC (my favorite spots).*

*As my term is coming to the end, I would like to reiterate - reach out to me/other directors if you have any questions and continue following the ASI Board of Directors on their IG or by coming to the meetings. We are here to support you!*

*Study well! Finish the semester strong! Congratulations to graduating Hornets! And I am looking forward to carmencement.*

*Stay Safe and healthy.*

*In service,  
Prabhjot Shinh*
